

SPOTLIGHT ON A HOME VISITOR!

RITA MEDEL

Healthy Families America
Family Assessment Specialist/Family Support Specialist

Rita Medel has been a home visitor with Saginaw ISD's Healthy Families America program for over 3 1/2 years.

Rita not only enjoys working with the parent(s) and their child, but she really enjoys building a relationship with their WHOLE family. By doing so, she learns more about their family dynamics and is more equipped to understand their needs and able to help guide them to reach their full potential as a parent and as an individual.

Healthy Families America is available to families living in the City of Saginaw, Brant, Merrill and Oakley that are expecting a baby or who have a baby that is under 2 weeks of age. For more information, please contact Rita at 989-399-0526 or rmedel@sisd.cc.
